

**25 February 2009****Dear Healthcare Professional****Recall of two batches of Menjugate® Kit – MDR 44-02/09**

Novartis Vaccines and Diagnostics S.r.l is taking precautionary actions to recall two batches of MENJUGATE® KIT (UK Product licence PL13767/0023 - PL13767/0024) as a recent test for sterility of Aluminium hydroxide solvent batch 088902 used in the MENJUGATE® KIT did not conform to requirements.

This action has been agreed with MHRA.

The batches involved are listed in the table below:

Batch Number	Expiry Date	Pack Size	First Distributed
236011	July 2011	Single dose	20 February 2009
235012A	July 2011	Single dose	22 January 2009

Should you hold either of these batches in your inventory, please quarantine your remaining stock and notify Movianto UK Ltd on 01234 248789 that you have product to be collected. Alternatively please email [Rosina.Clark@movianto.com](mailto:Rosina.Clark@movianto.com) with details of the product to be collected.

In the UK Novartis Vaccines' co-promotion partner is Sanofi Pasteur MSD Ltd. However, for further information regarding this action please contact:  
Customer Services, Novartis Vaccines & Diagnostics Ltd  
Telephone: 08457 451500.

Further supplies of meningitis C vaccine are available from Movianto UK Ltd.

We sincerely apologize for any inconvenience this activity may cause you, however our primary concern remains the safety of all patients receiving our vaccines.

Regards

Duccio Mattii  
Quality Operations Head
